

Professional Grade Supplements

Unmatched Purity & Safety - ALLMAX Pharmaceutical Grade CreaSyn™ Creatine sets a new benchmark for purity, quality and safety. It's rigorously tested to strict standards that meet or exceed 3rd-Party independent testing for World Anti-Doping Agency (WADA) Banned Substances and cGMP guidelines. Allmax CreaSyn™ Creatine is micronized to 200-mesh, yielding an ultra-fine, free-flowing powder for superior absorption and easy mixing. Most Creatine powders on the market today use particles that are up to 250% larger!

Backed by Research, Built for Results - Creatine monohydrate is supported by over 500 human clinical studies. Creatine supplementation has consistently shown to boost strength up to 15% and power output by as much as 30% in explosive, high-intensity training.* No gimmicks—just real, research-driven results.

Premium Quality, Trusted Choice - CreaSyn™ is gluten-free, vegan, and Clean for Athletes™ certified for banned-substance testing. Backed by pharmaceutical-grade manufacturing in cGMP facilities and world-class purity standards, it's the cleanest and most reliable creatine available.

- The new standard in Creatine
- Enhanced solubility
- World-Class purity specifications
- Pharmaceutical grade
- Ultra-fine, micronized powder
- Certified safe and tested

WARNINGS: Do not use if you are pregnant or breastfeeding, have a medical condition or are taking prescription medications. Consult a healthcare practitioner before use. May result in weight gain. Not intended for use by those under 18. Store in a cool, dry place. Do not use if inner seal is broken. Use for a minimum of 4 weeks.

CALIFORNIA WARNING: Lead is known to the State of California to cause birth defects or reproductive harm. Consuming this product can expose you to more than 0.0000005 g of lead. For more information go to www.P65Warnings.ca.gov.

ALLERGEN WARNING: Produced in a facility that also handles Milk, Soy, Egg, Peanut, Tree Nuts, Sesame, Fish, Crustacean and Shellfish products.
