

NEW FORMULA – BETTER RESULTS*

Harnessing the breakthrough science of patented ingredients like WATTS'UP® and Synapsa™, Impact Igniter Xtreme 2.0 redefines the pre-workout experience, setting a new standard for performance enhancement.*

Key Benefits:

- **EXTREME PUMPS:** Clinically studied WATTS'UP® (>90% hesperidin), L-Citrulline, and Pink Himalayan Sea Salt enhance nitric oxide production, promoting efficient nutrient delivery to muscles for extreme pumps and optimal performance.*
- **FOCUS & ENERGY:** A powerful seven-ingredient Nootropic Matrix sharpens mental clarity and supercharges focus, paired with the Extreme Energy Matrix featuring Infinergy™ Di-Caffeine Malate for smooth, sustained energy to keep you locked in and performing at your peak.*
- **PROLONGED NITRIC OXIDE LEVELS:** Highly bioavailable standardized plant extracts sustain nitric oxide levels and enhance muscle performance, delivering longer-lasting pumps and increased training intensity.*
- **ENHANCED PERFORMANCE:** Beta-Alanine, Malic Acid, and Taurine improve endurance and reduce fatigue, even during the toughest workouts.*

Why Choose Impact Igniter Xtreme 2.0?

IMPACT IGNITER XTREME 2.0 IS MORE THAN JUST A PRE-WORKOUT it's a scientifically formulated powerhouse designed to elevate every aspect of your training. From amplifying nitric oxide levels for unparalleled pumps to sharpening focus and sustaining energy, it pushes your body to achieve peak performance.*

Distributed Exclusively by: HBS INTERNATIONAL CORP., 14 Edgewood Drive, Carmel, NY 10512

DIRECTIONS:
Start with 1 scoop or assess your tolerance.

BEGINNER DOSE OR WHEN STACKING
Mix 1 scoop with 4-6oz of cold water, 20-30 minutes before training

XTREME DOSE
Mix 2 scoops with 8-10oz of cold water, 20-30 minutes before training.

WARNINGS: For adult use only. Ensure adequate hydration before, during, and after exercise. This product is not intended as a substitute for sleep. Consult a healthcare practitioner prior to use if you are of childbearing age, pregnant, or breastfeeding, have any medical conditions, including but not limited to cardiovascular issues, blood pressure irregularities, glaucoma, high cholesterol, detrusor instability (overactive bladder syndrome), or secure disorders, and/or are taking medications, particularly those containing stimulants or substances that may affect blood pressure (e.g., ephedrine, bitter orange extract, or synephrine). Avoid combining this product with alcohol or other caffeine-containing products (e.g., coffee, tea, pills, cross guarana, mate) or other stimulants as this may increase the risk of adverse effects. Do not exceed the recommended dose. Overconsumption may result in serious health effects. Caffeine may reduce blood flow to the heart muscle during exercise, which could lead to chest pain, irregular heart-beat, or other cardiovascular complications, even in healthy individuals. If such symptoms occur, discontinue use immediately and consult a healthcare practitioner. Hypersensitivity or allergic reactions are known to occur; if this happens, discontinue use immediately and seek medical advice. Do not use if the inner seal is broken. Store tightly closed in a cool, dry place away from direct sunlight. Consult a healthcare practitioner if you plan to use this product for more than 12 weeks. KEEP OUT OF REACH OF CHILDREN.

CALIFORNIA WARNING: Lead is known to the State of California to cause birth defects or reproductive harm. Consuming this product can expose you to more than 0.0000005g of lead. For more information go to www.P65Warnings.ca.gov.

ALLERGEN WARNING: Produced in a facility that also handles Milk, Wheat, Egg, Peanut, Soy, Tree Nuts, Sesame, Fish, Crustacean and Shellfish products.
