Cold-Water Fish Oil Concentrate - Known as the healthiest of fats, Omega 3 Essential Fatty Acids (EFAs) provide a wide range of health and performance benefits.

Omega 3s are found in high concentrations in the brain as they are essential for brain function.

ALLMAX Omega 3 has a neutralized flavour to reduce the "fishy repeat" experience of other fish oil capsules. Made from Wild-caught Anchovies and Sardines caught in the pristine waters off the coasts of Chile and Peru.

Enclosed in a black opaque container, ALLMAX Omega 3 EFAs are protected from light-source degradation keeping your Omega 3s in pristine condition. Enjoy all of the healthy benefits with none of the drawbacks that some formulations have with ALLMAX Omega 3 EFAs.
